Spider Wraps have become a standard in high-shrink security because their expandable cables allow them to protect such a wide range of merchandise. Alpha was the first to bring the concept of a security wrap to the market, and our Spider Wraps are trusted by over 500 retailers worldwide. Alpha's 2 Alarm technology alarms when tampered with in-store and signals your EAS to alarm. Our replaceable battery provides five years of hassle-free security.

AM and RF technology available
