CableLok™

3 alarm

Security beyond boundaries

The Alpha 3 Alarm CableLok is flexible enough to secure a broad range of apparel and hard goods merchandise. Open merchandising gives your customers the freedom to move around the store without assistance of a sales person. Our 3 Alarm technology provides early detection, EAS protection and alarming security beyond the boundaries of your store.

3•Alarm™

Another Alpha Innovation

Three Levels of high-shrink security:

1. Early Detection

- CableLok self-alarms when product is compromised when in-store

2. EAS Alarm Protection

- EAS alarm is activated if CableLok is taken through EAS sensors

3. Beyond Boundaries

- CableLok self-alarms when taken through EAS sensors

SUGGESTED APPLICATIONS:

6" CableLok - Blister packages, backpacks, luggage, purses, camera bags, briefcases, sports equipment, power tools, grills
48", 72", 90" CableLok – Coats, dresses, men's and women's suits

- Reusable and completely portable – permits open merchandising and free movement in the store – minimizes sales assistance
- Eliminates hard wire cabling and safety claims from customers tripping over power transformer and wire cables
- Amplified 95 DbA alarm
- Flashing LED light and speaker provide strong visual deterrent
- 2 lanyard sizes – standard 6" and XL 48"
- Long lasting lithium battery
