THE HIGH SECURITY TAG
FOR A SMARTER MORE SECURE BUSINESS

Spring loaded hinge for easy snap opening

Hidden retracting pin when open

High detection electronics

CROCTAG

This is the revolutionary New CrocTag. The Clothing Tag re-invented!

The CrocTag is a vast leap forward in retail security tags. This tag is revolutionary in that the pin and tag are interconnected. No more lost pins, no risk of injury from pins left behind in garments, or that have fallen on the ground.

It's extremely easy and fast to apply and can be attached to garments with just a single hand and clicked into place.

Compatible with all 58kHz AM detection systems from Vitag and Sensormatic.

Benefits of using CrocTag...

• Easy & very fast to apply – Reduces application times dramatically when applying to large quantities of merchandise.
• Pin is part of the Tag – No more lost Pins
• Hidden & Retracting Pin – No risk of injury from pins to staff and customers
• Can be used without having to pin through clothing

Detection
High detection tag with advanced read range on most exit systems.

Colour
Light Grey

Size
The CrocTag is 55mm long and 29mm high.
