## Apple Adapter/Cradle

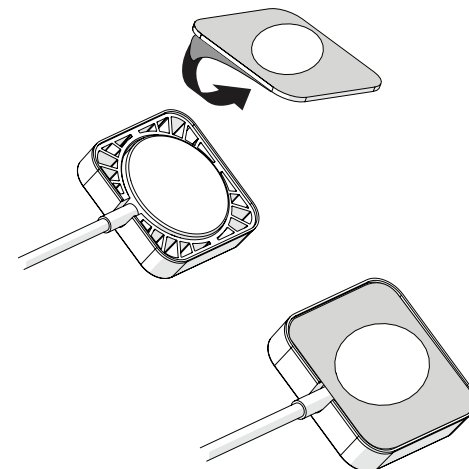

- 1A** Insert the OEM Apple Charger into the back of the adapter as far as it will go. The cable should exit from the slot on the side of the adapter.

- 2A** Wipe the back of the adapter with alcohol wipe provided. **Let dry completely.**

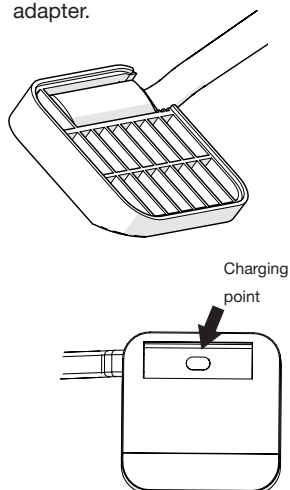

- 3A** Peel film from the black adhesive pad and press it to the back of the adapter. Press for at least 10 seconds.

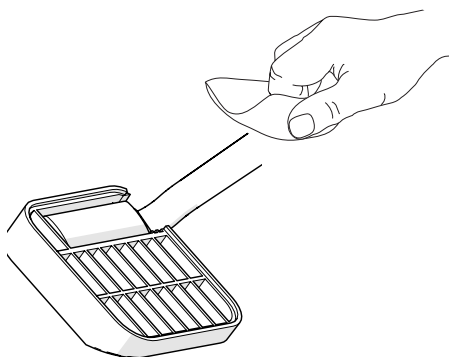

## Pebble Adapter/Cradle

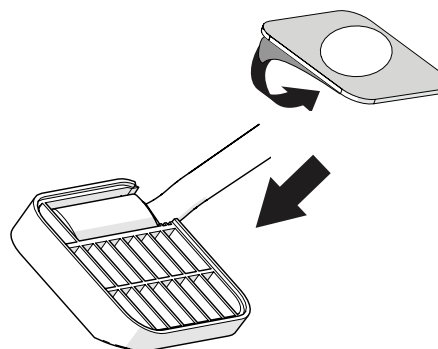

- 1B** Insert the Pebble charging cable into the opening on the adapter with the contact charging points facing up. Gently push charger as far as it will go into adapter. The cable should exit from the slot on the side of the adapter.

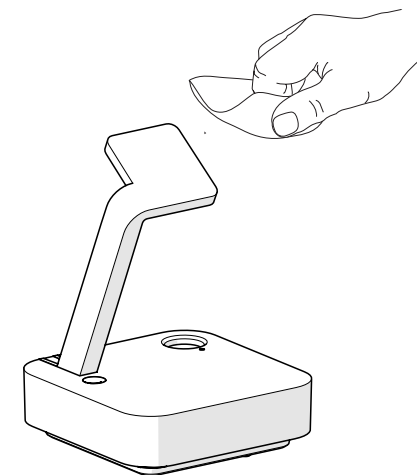

- 2B** Wipe the back of the adapter with alcohol wipe provided. **Let dry completely.**

- 3B** Peel film from the black adhesive pad and press it to the back of the adapter. Press for at least 10 seconds.

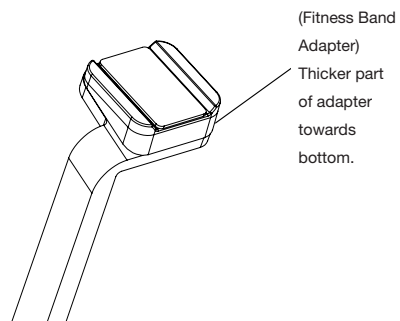

- 4** Wipe the W1000 Stem with alcohol wipe provided. **Let dry completely.**

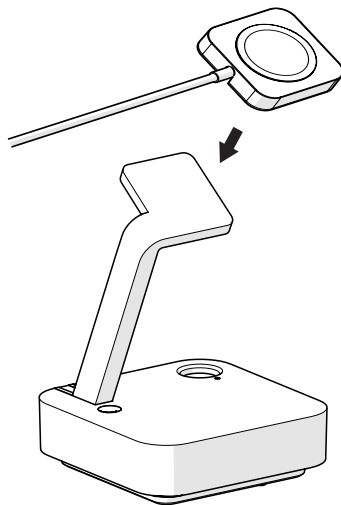

## Fitness Band Adapter

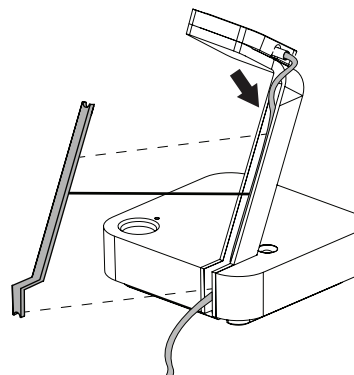

- 5** If mounting Fitness Band adapter, ensure thicker portion of adapter is oriented towards front of stand. Ensure watch orientation is correct.

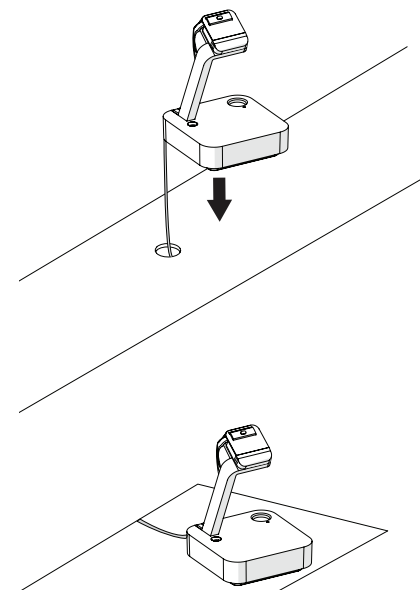

- 6** Peel film from adhesive and press firmly onto stem head for at least 10 seconds.

- 7** Remove the cable cover from the W1000 stem and route the charging cable into the channel as shown. Replace the cover to its original position to hold the cable in place.

- 8** Route Cable as desired.
