

Designed specifically for commercial environments.

Simple and secure, the CT Key is a single key solution specifically designed for the InVue CT100, CT200 and CT300. Superior to traditional keys, the CT Key allows for secure and rapid tablet undocking.

A unique secure code can be programmed by location or choose to have the same code for all locations. Recode and reuse the key as many times as needed.

FEATURES AND BENEFITS

- 1 Secure and rapid undocking
- 2 Unique secure code for every location
- 3 Use as single key solution on all devices or add keys as needed
- 4 FOB programs keys with unique code
- 5 Recode as many times as needed
- 6 LED light indicates key is functional
- 7 No charging or programming station required
