Shell Ink Tag (AM/RF)
Security tag

🔒 **Security:** High   📶 **Detection Range:** Standard

No need to worry about ink damaging garments in day to day use as ink will only leak if considerable force is applied to open the tag without a detacher.

All the benefits of a Shell Tag with added embedded benefit denial ink ampoules for maximum deterrence and tamper resistance.

Shell Design.
With a smooth symmetrical shell design, the pin head matches the tag size and reduces tag attack and garment tearing by shoplifters.

Ink filled ampoules

Smooth Pin.
The pin is smooth and will not damage threads like grooved pins do. No need to tag garments through seams. Attach tags in a visible position.

Lock.
Superlock*, a powerful magnetic detacher. If you are unsure if your existing detacher will open this tag will open this tag, give us a call or email us.

Features
