# XT Lock Detacher
Universal security tag detacher

Advanced security tag detacher opens a large variety of magnetic release security tags as well as our high security XT30 and X18 tags.

Flush Counter Mount

Lock Top

Universal Superlock

A Universal Superlock security tag detacher removes the pin from a large range of magnetic security hard tags. This powerful magnetic detacher is designed to release just about any magnetic security tag on the market today (except our Z50, XT30, X18 and Z Cablelok tags).

Registered Business Only

We sell this detacher only to registered retailed businesses.
