

Universal Superlock Detacher

Liquor security tag

High strength universal mounting security tag detacher.
Opens a large variety of magnetic release security tags.

Flexible Mounting Kit

Universal Detacher

A Universal Superlock security tag detacher removes the pin from a large range of magnetic security hard tags. This powerful magnetic detacher is designed to release just about any magnetic security tag on the market today (except our Z50, XT30, X18 and Z Cablelok tags).

Flexible Mounting

Detacher comes complete with parts for countertop or counter flush fitting, including detacher lock top to ensure the detacher is not accessible when unattended.

Registered Business Only

We sell this detacher only to registered retailed businesses.
