

Lanyard Tag (AM/RF)

Security tag

 Security: High  Detection Range: Standard

Combines the lanyard and tag in one. The perfect tag for accessories, no need to purchase both tags and lanyards separately.

Fixed Lanyard

One end of the lanyard is fixed to the tag, and the other end is equipped with a pin that is inserted into a hole and locked to the tag.

One-Piece Design

Lock

Multi-purpose hard security tag for application to a wide assortment of high risk merchandise with a high strength magnetic lock for superior protection.
