# Z CableLok

Z CableLok from Neotag is the most secure cable tag on the market.

## Z CableLok

The Z CableLok has a lockable steel cable for attaching to a range of valuable accessory merchandise. Perfect for bags, shoes, sport equipment and DIY tools. The Z CableLok has a revolutionary locking system that can only be detached with a purpose-designed Z Detacher.

### Features
- Available with either AM or RF frequencies
- Multipolar locks resistant to magnetic and mechanical detachers
