

High security fixed tablet stand that works anywhere.

Three counter stand options available as well as a wall mount and a pedestal stand.

The CT200 is a high security, fixed tablet solution that can be used in any business environment. The CT200 is the ideal product for applications that require tablets to be removed infrequently. An optional card reader bracket quickly turns your

tablet into a point-of-sale kiosk. Tamper resistant and durable enough for high traffic environments, the CT200 is distinct in its ability to offer security and ease of maintenance in any commercial setting.

FEATURES AND BENEFITS

- 1 Three counter-based stands — fixed, swivel and freestanding
- 2 Low profile wall mount bracket with standard VESA pattern
- 3 Floor stand available with weighted base and bolt mount for added stability
- 4 Frames compatible with 10" and 12" tablets

FEATURES AND BENEFITS (continued)

- 1 Tilt option available for all stands
- 2 Supports integration of audio jack extender and payment device
- 3 Self locking frame cover with audible indicator
- 4 Durable enough to be left unattended, withstanding over 300 pounds of pull force
- 5 Compatible with InVue's secure OneKEY™
- 6 Tamper resistant

Perfectly connecting tablets and people in the workplace.

PERFORMANCE AND VERSATILITY THAT ALLOW YOU TO DO MORE

No matter where or how you employ tablets, InVue provides the best products to:

- › Display and protect tablets
- › Easily access and utilize the tablet's features
- › Provide power to the tablet
- › Enable quick tablet mobility

CT300

A complete tablet solution that turns a security challenge into a sales opportunity by enabling transactions wherever and whenever customers are ready.

CT200

CT200 is the perfect fixed tablet display solution with a point-of-sale option. Durable, versatile and tamper resistant, the CT200 can be used in any environment and features multiple stand options for display.

CT100

CT100 provides extremely tough protection and is very simple to install and use. When docked, the CT100 automatically locks and immediately begins charging so that the tablet is secure, completely powered and ready for use.

CT50

The CT50 stand and tablet enclosure provide tough security and protection from misuse. The all metal stand can be securely mounted to any drill-able counter surface.

CT KEY

InVue's unique electronic key provides simplicity and ease of use while improving the customer experience, increasing sales and protecting your investment (compatible with CT200 and CT300).

A storewide single key solution to increase profits.

CT200 is part of the exclusive InVue OneKEY ecosystem™, a storewide single key solution that improves customer service, increases sales and provides high theft protection.
