

# Dramatically increase accessory sales with cross-merchandising.

Completely above counter POD which allows retailers to easily and securely cross-merchandise accessories next to smartphones

and tablets. Features alarm-on-product and alarm-in-stand, optional arms, and optional lockdown provide scalable security.

## FEATURES AND BENEFITS

- 1 Above counter POD simplifies installation
- 2 Ability to cross-merchandise accessories next to smartphones and tablets via a powered accessory alarm port
- 3 Alarm in sensor makes stolen product difficult to hide — alarm on base provides additional breach alert
- 4 Optional brackets provide scalable deterrence

### FEATURES AND BENEFITS (continued)

- 1 Small sensor provides minimal interference
- 2 Nightly removal capability is simple with adjustable security screw (tools required)
- 3 Quarter-turn lock down provides scalable deterrence
- 4 Industry's lowest pull-force recoiler
- 5 Serial OneKEY™ interface provides compatibility with InVue Access Manager zone control and auditing

A storewide single key solution to increase profits.

**OneKEY**<sup>™</sup>  
ecosystem

Series 1060 is part of the exclusive InVue OneKEY ecosystem<sup>™</sup>, a storewide single key solution that improves customer service, increases sales and provides high theft protection.
