

BosstTag Super D Tag (AM)

Security tag with Pin

 **Security:** Standard  **Detection Range:** Very High

BosstTag Super Detection Tag has the highest detection range of any tag on the market.

If your existing AM frequency security tag system has poor detection, it's likely the BosstTag Super Detection Tag will close the detection gaps. Or if you want to place your security pedestals further apart than the manufacturers requirements, the BosstTag Super Detection Tag will allow this.

Smooth Pin

Highest Detection Range

Smooth Pin Included.

The pin is smooth and is less likely to damage threads like grooved pins do. No need to tag garments through seams. Faster application and removal.

Lock.

Superlock*, a powerful magnetic detacher. If you are unsure if your existing detacher will open this tag will open this tag, give us a call or email us.
